

## Fill in the gaps

Bottoms up tonight I drink to you and I	A
Because (1) the morning comes the rest of my life	I
And with this empty glass I (2) break the past	Е
Because with the morning I can open my (3)	E
I want this to be my awakening	P
I give this one to you an anthem full of (4)	E
I tell you now an epic tale	P
Of what you've put me through	
And even though you don't deserve one of your own	I
A melody, a song about the life that you let go	١
I can't believe that	F
I still care enough to write	١
Bottoms up tonight I (5) to you and I	F
Because with the (6) comes the rest of my	E
life	E
And (7) this empty glass I will break the past	A
Because with the morning I can open my eyes	E
I want this to be my awakening	A
Yes I miss you still	L
And probably always will	I
I'm living with a busted heart that I will have until	
I find the strength	
I know it's somewhere in my bones	
To pull the curtain up again and get on with this show	

At (8) you know that
I still care enough to write
Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
Because with the morning I can open my eyes
And maybe I will see a different destiny
(9) knowing you at all was only a bad dream
I want this to be my awakening
No rest for the wicked they say
Forgive me if I try to change
No rest for the wicked they say
Forgive me if I try to change
Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
Because (10) the morning I can open my eye
And maybe I will see a different destiny
Like knowing you at all was only a bad dream
I want this to be my awakening
