Bottoms up tonight I drink to you and I	At least you know that
Because with the morning (1) the rest of my life	I still care enough to write
And with (2) (3) glass I will break the	Bottoms up tonight I (15) to you and I
(4)	Because with the morning comes the rest of m
Because with the morning I can open my eyes	(16)
I want this to be my awakening	And with this empty glass I will break the past
I give this one to you an anthem full of truth	Because with the morning I can (17) my eyes
I tell you now an epic tale	And maybe I will see a (18) destiny
Of what you've put me (5)	(19) knowing you at all was only a bad dream
And even though you don't deserve one of your own	I want this to be my awakening
A melody, a song about the life that you let go	No rest for the wicked (20) say
I can't believe that	Forgive me if I try to change
I still care enough to write	No rest for the wicked they say
Bottoms up tonight I drink to you and I	Forgive me if I try to change
Because with the morning comes the rest of my life	(21) up (22) I drink
And with this empty glass I will break the past	you and I
Because with the morning I can (6) my eyes	Because with the morning comes the rest of my life
I (7) this to be my awakening	And with (23) empty glass I will break the past
Yes I miss you (8)	Because with the morning I can open my eyes
And probably always will	And (24) I will see a different destiny
I'm living with a busted heart (9) I will	Like (25) you at all was only a bad drear
(10) until	I want this to be my awakening
I find the strength	
I (11) it's somewhere in my bones	
To pull the curtain up again and get on (12)
