## Awakening by Yellowcard

## Fill in the gaps

Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And (1) this empty glass I will break the past
Because with the morning I can open my eyes
I want this to be my awakening
I give this one to you an anthem full of truth
I tell you now an epic tale
Of what you've put me through
And even (2) you don't deserve one of your
own
A melody, a song about the life (3) you let go
I can't believe that
I still care enough to write
(4) up tonight I drink to you and I
Because with the morning comes the rest of my life
And with (5) empty glass I will break the past
Because with the morning I can open my eyes
I want this to be my awakening
Yes I miss you still
And probably always will
I'm living with a busted heart that I (6) have until
I find the strength
I know it's somewhere in my bones
To pull the curtain up again and get on with this show

At least you know that
I still care enough to write
Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
Because (7) the morning I can open my eyes
And maybe I will see a different destiny
Like knowing you at all was only a bad dream
I want this to be my awakening
No rest for the wicked they say
Forgive me if I try to change
No rest for the wicked (8) say
Forgive me if I try to change
Bottoms up (9) I drink to you and I
Because with the morning comes the rest of my life
And with (10) empty glass I will break the pas
Because with the morning I can open my eyes
And maybe I will see a different destiny
Like knowing you at all was only a bad dream
I want this to be my awakening
