

Fill in the gaps

Stop! The (1) is riding	Because I want more, because I want more
Down to the station where you lived	My body tells me: no!
When we (2) school kids	But I won't quit
Hey! The rails are caught now	Because I (7) more, (8) I want
And I am falling down	more
Fools in a spiral	It rides out of town
Round this town of steam	Oh, it's my road, it's my road, it's my road (bis)
My body tells me: no!	It's my war, it's my war, it's my war (bis)
But I won't quit	His eyes are open
Because I want more, because I want more	His eyes are open
My body tells me: no!	Oh, because I want more, (9) I want more,
But I won't quit	more, more
Because I (3) more, because I want more	His eyes are open
Stop! The train is riding	His eyes are open
Down to the station where I lived	My body tells me: no!
When I was a (4) kid	But I won't quit
Hey! Is it my fault that	Because I want more, because I want more
The fallen embers (5) down in a spiral	My body tells me: no!
Round your crown of thieves	But I won't quit
My (6) tells me: no!	Because I want more, (10) I want more
But I won't quit	It rides out of town
