30,000 feet above the city where I fell in love with you And the fading concrete skyline Brings an urban lullaby that still rings true When I passed you on the street that day Should've let that red scarf fly away Like any chance I had of keeping you Like the Northern wind a blowing Yeah my lonely heart was frozen Never knew I'd find a way To break yours too Where the wind blows babe You can bet I'll be riding high with it Holding on for my dear life just like I always did Close your eyes babe, take a breath Say my name and I'll be there My love will find you anywhere Anywhere my love The city lights look like a country sky Like staring at the stars turned (1)\_\_\_ down I wish I may, I (2)\_\_\_\_\_ I might Find it in your heart to stick around

I hate it had to end this way

Tomorrow is a brand new day

Someone's out there waiting For a sweet good timing lady

And the chances here at love are precious few

To make you smile the way I always wanted to Where the wind blows babe You can bet I'll be riding high with it Holding on for my dear life just (3)\_\_\_\_\_ I always did. Close your eyes babe, take a breath Say my name and I'll be there My love will find you anywhere Anywhere my love So I'll fly all (4)\_ Our memory's my lullaby That love won't lie If it's love done right You'll be waiting on the other side \_\_ open wide If (6)\_\_\_\_\_ don't lie Lie, we can fly Where the wind blows babe You can bet I'll be riding high with it Holding on for my dear life just like I always did Close your eyes babe, (7)\_\_\_\_\_ a breath Say my name and I'll be there My (8)\_\_\_\_\_ will find you anywhere Anywhere, my love will find you anywhere Anywhere, my love will find you anywhere Anywhere my love
