Leave It All To Me by Miranda Cosgrove & Drake Bell

(In five, four, three, two)	There's a dream in everyone	
I know, you see	And it's all real	
Somehow the world will change for me	I'm telling you just how I feel	
And be so wonderful	So wake up the members of my nation	
Live life, breathe air	It's your time to be	
I know somehow we're gonna get there	There's no chance unless you (9)	one
And feel so wonderful	And the time to see	
I will make you change you mind	The brighter side of every situation	
These things (1) all the time	Some things are meant to be	
And it's all real	So give your best and leave the rest to me	
I'm (2) you just how I feel so	Leave it all to me (leave it all to me)	
Wake up the members of my nation	So make it right (maybe you're right)	
It's your time to be	And see it through (you gotta)	
There's no chance (3) you (4) one	You know you won't be free until you	
And it's time to see	Wake up the members of my nation	
The brighter side of every situation	It's your time to be	
Some things are meant to be	There's no chance unless you take one	
So (5) your (6) and leave the rest to me	And the time to see	
I know	The brighter side of every situation	
It's time	Some things are meant to be	
To raise the (7) that draws the line	So give it your best and (10) the	ne rest to me
And be so wonderful	Leave it all to me (leave it all to me)	
Golden sunshine	Leave it all to me	
I (8) somehow gonna be mine	Just leave it all to me	
And feel so wonderful
