

Never knew how life could be

## Fill in the gaps

I always thought you were someone to die for	Both you and me
I used to say I'd never been so much in love before	Like wrapped up in plastic
Now I know the meaning of forever	Don't know how we came to this
It's such a long time	I feel like I've been
When you're not having fun	Wrapped up in plastic
Remember how we always were together	Never knew how (7) (8) be
They (1) to say no one would see us coming one	Both you and me
by one	Like wrapped up in plastic
There was a (2) when I thought we could shake it	I don't know how
No matter what, we would (3) make it	Somewhere we got off track
Don't know how we came to this	I tried but I couldn't keep it in my heart
I feel (4) I've been	I looked around
Wrapped up in plastic	I tried to get it back
Never knew how life (5) be	(Oh) Tell me how could we let it go
Both you and me	Don't know how we came to this
Like wrapped up in plastic	I feel like I've been
I always thought I was standing on solid ground	Wrapped up in plastic
Now I feel like a record spinning 'round and 'round	Now it's all gone
I'm so lost in the world of I (6) to's	Wrapped in plastic
It's been a long time	Did it all wrong
Since I had some fun	Now we (9) it
I used to be where the hot summer wind blows	What a sad song
There'd be no problems	Wrapped in plastic
No bad options standing in my way	Now it's all gone
Now I'm trapped	Wrapped in plastic
And no way to get out	Now it's all gone
Don't know how we came to this	
I feel like I've been	
Wrapped up in plastic
