

Never knew how life could be

## Fill in the gaps

I always thought you were someone to die for	Both you and me
I used to say I'd never been so (1) in love before	Like wrapped up in plastic
Now I know the meaning of forever	Don't know how we came to this
It's such a long time	I (8) like I've been
When you're not having fun	Wrapped up in plastic
Remember how we always were together	Never knew how (9) could be
They used to say no one would see us coming one by one	Both you and me
There was a time when I thought we could shake it	Like wrapped up in plastic
No matter what, we would always make it	I don't know how
Don't know how we came to this	Somewhere we got off track
I feel like I've been	I tried but I couldn't keep it in my heart
Wrapped up in plastic	I looked around
Never knew how (2) be	I tried to get it back
Both you and me	(Oh) Tell me how could we let it go
Like wrapped up in plastic	Don't know how we came to this
I (4) thought I was (5) on	I feel like I've been
solid ground	Wrapped up in plastic
Now I feel like a record spinning 'round and 'round	Now it's all gone
I'm so lost in the world of I (6) to's	Wrapped in plastic
It's been a long time	Did it all wrong
Since I had some fun	Now we lost it
I used to be where the hot summer wind blows	What a sad song
There'd be no problems	Wrapped in plastic
No bad options standing in my way	Now it's all gone
Now I'm trapped	Wrapped in plastic
And no way to get out	Now it's all gone
Don't know how we (7) to this	
I feel like I've been	
Wrapped up in plastic
