It's Hard to Say Goodbye by Celine Dion & Paul Anka

There's something in your eyes that's far too revealing	I'll never try to hold you back
Why (1) it be (2) this a love without	I wouldn't try controlling you
feeling	If it's what you want
Something wrong (3) you I know	It's what I want
I see it in your eyes	I want what's best for you
Believe me when I say	And if there's something else that you're looking for
It's gonna be okay	I'll be the first to help you try
I told you from the (4) I won't be demanding	Believe me (8) I say
I won't be demanding	It's hard to say goodbye
If you have a (5) of heart	Don't say goodbye
I'll be understanding	If it's what you want
I'll be understanding	It's what I want
When love (6) a broken heart	I want what's best for you
And dreams begin to die	I'll never try to hold you back
Believe me when I say	I wouldn't try controlling you
We'll work it out some way	If it's what you want
I'll never try to hold you back	It's what I want
I wouldn't try controlling you	I want what's best for you
If it's what you want	And if there's something else (9) you're looking for
It's what I want	I'll be the first to help you try
I want what's best for you	Believe me when I say
And if there's something (7) that you're looking for	It's hard to say goodbye
I'll be the first to help you try	I'll never try to hold you back
Believe me when I say	I wouldn't try controlling you
It's hard to say goodbye	If it's what you want
We've lost that loving touch	It's what I want
We used to feel so much	I want what's (10) for you
I try to hide the truth that's in my eyes	And if there's something else that you're looking for
The love without feeling	(I'll be)
But when I feel we're not in love
