

We'll work it out some way

## Fill in the gaps

## It's Hard to Say Goodbye by Celine Dion & Paul Anka

There's something in (1) (2) that's far	I'll (14) try to hold you back
too revealing	I wouldn't try controlling you
Why must it be like this a love without feeling	If it's (15) you want
Something wrong (3) you I know	It's what I want
I see it in your eyes	I want what's best for you
Believe me when I say	And if there's something else (16) you're looking
It's (4) be okay	for
I told you from the start I won't be demanding	I'll be the first to help you try
I won't be demanding	Believe me when I say
If you have a change of heart	It's hard to say goodbye
I'll be understanding	Don't say goodbye
I'll be understanding	If it's (17) you want
When love (5) a (6) heart	It's (18) I want
And dreams begin to die	I (19) what's best for you
Believe me when I say	I'll never try to hold you back
We'll work it out some way	I wouldn't try controlling you
I'll never try to hold you back	If it's what you want
I wouldn't try controlling you	It's what I want
If it's what you want	I want what's best for you
It's (7) I want	And if there's something else that you're looking for
I want what's best for you	I'll be the first to help you try
And if there's something else that you're looking for	Believe me (20) I say
I'll be the first to help you try	It's hard to say goodbye
Believe me (8) I say	I'll (21) try to (22) you back
It's hard to say goodbye	I wouldn't try (23) you
We've lost that loving touch	If it's (24) you want
We used to (9) so much	It's (25) I want
I try to (10) the (11) that's in my eyes	I want what's best for you
The (12) without feeling	And if there's something else that you're looking for
But (13) I feel we're not in love	(I'll be)
I know I'm losing you	
Believe me when I say
