

Believe me when I say
We'll work it out some way

Fill in the gaps

It's Hard to Say Goodbye by Celine Dion & Paul Anka

There's something in your eyes that's far too revealing	I'll (6) try to hold you back
Why must it be like this a love without feeling	I wouldn't try controlling you
Something wrong with you I know	If it's (7) you want
I see it in your eyes	It's what I want
Believe me when I say	I want what's best for you
It's gonna be okay	And if there's something else that you're looking for
I told you from the start I won't be demanding	I'll be the first to help you try
I won't be demanding	Believe me when I say
If you have a (1) of heart	It's hard to say goodbye
I'll be understanding	Don't say goodbye
I'll be understanding	If it's what you want
When love becomes a broken heart	It's what I want
And dreams begin to die	I (8) what's best for you
Believe me when I say	I'll never try to hold you back
We'll work it out some way	I wouldn't try controlling you
I'll never try to hold you back	If it's what you want
I wouldn't try controlling you	It's what I want
If it's what you want	I want what's best for you
It's what I want	And if there's something else that you're (9)
I want what's best for you	for
And if there's (2) else (3)	I'll be the first to help you try
you're (4) for	Believe me when I say
I'll be the (5) to help you try	It's hard to say goodbye
Believe me when I say	I'll never try to hold you back
It's hard to say goodbye	I wouldn't try (10) you
We've lost that loving touch	If it's what you want
We used to feel so much	It's what I want
I try to hide the truth that's in my eyes	I want what's best for you
The love without feeling	And if there's something else that you're looking for
But when I feel we're not in love	(I'll be)
I know I'm losing you
