Your mouth is a revolver	You light the spark in my bonfire heart	
Firing bullets in the sky	People (5) us	
Your love is like a soldier	We don't	
Loyal till you die	Need that much	
And I've been looking at the stars	Just some	
For a long, long time	One that starts	
I've been putting out fires	Starts the spark in our bonfire hearts	
All my life	Our bonfire hearts	
If everybody wants a flame	Our bonfire hearts	
They don't want to get burnt	Our (6) hearts	
And today is our turn	You light the spark	
Days like these	People like us	
Lead to	We don't	
Nights like this	Need that much	
Lead to	Just some	
Love like ours	One that starts	
You light the spark in my bonfire heart	Starts the spark in our (7)	_ hearts
People like us	Days like these	
We don't	Lead to	
Need (1) much	Nights like this	
Just some	Lead to	
One that starts	Love (8) ours	
Starts the spark in our bonfire hearts	You light the spark in my bonfire heart	
This world is getting colder	(One, two, three, four)	
Strangers passing by	People like us	
No one offers you a shoulder	We don't	
No one looks you in the eye	Need that much	
But I've been looking at you	Just some	
For a long, (2) time	One that starts	
Just trying to (3) through	Starts the spark in our (9)	_ hearts
Trying to (4) you mine	Our bonfire hearts	
Everybody wants a flame	People like us	
They don't want to get burnt	We don't	
Well today is our turn	Need that much	
Days like these	Just some	
Lead to	One that starts	
Nights like this	Starts the spark in our bonfire hearts	
Lead to		
Love like ours
