Fill in the gaps

Let Me Go by Avril Lavigne & Chad Kroeger

Love that once hung on the wall	I've said goodbye
Used to mean something, but now it means nothing	Set it all on fire
The echoes are gone in the hall	Gotta let it go, just let it go
But I still remember, the pain of december	I let it go, and now I know
(Oh) there isn't one thing left you could say	A brand new life, (7) (8) is rude
I'm sorry it's too late	Where it's right, you always know
I'm breaking (1) from (2) memories	So this time, I won't let go
Gotta let it go, just let it go	There's only one (9) (10) here to say
I've said goodbye	Love's never too late
Set it all on fire	I've broken free from these memories
Gotta let it go, just let it go	I've let it go, I've let it go
	And two goodbyes, lend you this new life
You came back to find I was gone	Don't let me go, don't let me go
And that place is empty	
Like the hole that was (3) in me	Don't let me go, don't let me go, don't let me go
Like we were nothing at all	Don't let me go
It's not that you (4) to me	Won't let you go, don't let me go
Thought we were meant to be	Won't let you go, don't let me go
(Oh) there isn't one thing left you could say	Won't let you go, don't let me go
I'm sorry it's too late	Won't let you go, don't let me go
I'm (5) free from these memories	
Gotta let it go, (6) let it go
