Hold On To The Nights by Richard Marx

Just (1) I believed		I don't know how		
I couldn't ever want for more			To stop feeling this way	
This (2) changing world			Hold on to the nights	
Pushes me through another door			Hold on to the memories	
I saw you smile			If only I could give you more	
And my mind could not erase			Well, I think I've (6)	true
The (3) of your face			To everybody else but me	
Just for a while			And the way I feel about you	
Won't you let me shelter you (ooh)			Makes my heart (7)	to be free
Hold on to the nights			Every time I look into (8)	eyes
Hold on to the memories			I'm (9)	_ aware
I wish that I could give you (4) more		more	That the (10)	_ I've been searching
That I could be yours			For is right there	
How do we explain			Hold on to the nights	
Something that took us by surprise?			Hold on to the memories	
Promises in vain			I'm wishing I could give you more	
Love that is real, but in disguise			(Ooh)	
What happens now?			Hold on to the nights	
Do we break (5)	rule?			
Let our lovers play the fool
