

Fill in the gaps

(On) Misty eye of the (1) below	Watch the flames burn auburn on
Keep careful watch of my brothers' souls	The mountain side
And should the sky be filled with	Desolation comes (14) the sky
Fire and smoke	Now I see fire
Keep (2) over Durin's sons	Inside the mountain
If (3) is to end in fire	I see fire
Then we should all burn together	Burning the trees
Watch the (4) climb high	And I see fire
Into the night	Hollowing souls
Calling out father (oh)	I see fire
Stand by and we will	Blood in the breeze
Watch the flames (5) auburn on	And I hope that you remember me
The (6) side	And if the (15) is burning
High	I will cover my eyes
And if we should die tonight	For if the dark returns then my
We should all die together	Brothers will die
Raise a glass of wine	And as the sky is falling down it
For the (7) time	Crashed (16) this lonely town and
Calling out father (oh)	With (17) shadow (18) the ground I
Prepare as we will	Hear my (19) out
Watch the flames burn auburn on	Now I see fire
The mountain side	Inside the mountains
Desolation comes upon the sky	I see fire
Now I see fire	Burning the trees
Inside the mountain	I see fire
I see fire	Hollowing souls
Burning the trees	I see fire
And I see fire	Blood in the breeze
Hollowing soul	I see fire
I see fire	(Oh) You (21) I saw a city burning out (fire)
Blood in the breeze	And I see fire
And I hope (8) you (9) me	Feel the (22) upon my (23) (fire)
(Oh) (10) my people fall in	And I see fire
Surely I'll do the same	(Uh-uuh-uh-uuh) (Fire)
Confined in (11) halls we	And I see fire burn auburn on the (24)
Got too (12) to the flame	side
Calling out (13) (oh)	
Hold fast and we will
