## In a World Like This by Backstreet Boys

You've got me (1) open, wide open	In a time like this where love comes 'round
Now I'm yours	I, I, know we're gonna take it
You found me heartbroken, heartbroken	In a (5) like this where people fall apart
On the floor	In a time like this where nothing comes from the heart
Became my salvation, salvation	In a world like this
Through the mourn, yeah	I've got you
You got me wide open, wide open	(Ah) Yeah
Now I'm sure	(Ah) In a world like this
In a world like this where some back down	You got me wide open, (6) open, yeah
I, I, know we're gonna make it	And now I'm free falling, free falling
In a time like this where love comes 'round	Hey, yeah, yeah
I, I, know we're gonna take it	Yeah yeah
In a world like this (2) people fall apart	In a world like, in a world like
In a time like this where nothing comes from the heart	'Cause I got you
In a world like this	In a world (7) this
I've got you	In a world like this where some back down
And now I'm free falling, free falling	I, I, know we're gonna make it
In your eyes	In a time like this where love comes 'round
You got me (3) calling, still calling	I, I, know we're gonna take it
No surprise	In a world like this where people fall apart
I never knew I could (4) 'til the	In a (8) like this where nothing comes from the
End of time, yeah	heart
And now I'm free falling, free falling	In a world like this
By your side	I've got you
In a world like this where some back down
