

That wasn't meant to last (to last)

## Fill in the gaps

Who are you now?	I've tried to (5) it
Are you still the same	Can't deny it
Or did you change somehow?	You don't even know
What do you do	That I still need you
At this very moment (1) I (2) of you?	I still (6) about you
And when I'm (3) back	Though everything's been said and done
How we were young and stupid	I still feel you
Do you remember that?	Like I'm right beside you
No matter how I fight it	But still no word from you
Can't deny it	No no
Just can't let you go	I wish I could find you
still need you	Just (7) you found me then I
still care about you	Would never let you go (without you)
Though everything's been said and done	Though everything's been said and (8) (yeah)
still feel you	I (9) feel you (I still feel you)
Like I'm right beside you	Like I'm right
But still no word from you	Like I'm right (beside you) beside you
Now look at me	But still no, still no word
nstead of moving on, I (4) to see	Word from you
That I keep coming back	
And I'm stuck in a moment
