

I'm swept away by love

Fill in the gaps

Don't pretend you're sorry	Baby I can't help it
I know you're not	You keep me drowning in your love
You (1) you got the power	Go on pull me under
To make me weak inside	Cover me with dreams, yeah
And girl you leave me breathless	Love me mouth to (6) now
But it's ok	You know I can't resist
'Cause you are my survival	'Cause you're the air that I breathe
Now hear me say	Every time I breathe I take you in
I can't imagine	(Every time I breathe, yeah)
Life without your love	And my heart beats again
And even forever	Baby I can't help it
Don't (2) like long enough	(Baby I can't help it)
'Cause every time I breathe I take you in	You keep me drowning in your love
And my heart beats again	And every time I try to rise above
Baby I can't help it	I'm swept away by love
You keep me drowning in your love	Baby I can't help it
And every time I try to rise above	You keep me drowning in your love
I'm swept away by love	Baby I can't help it
Baby I can't help it	You keep me drowning in your love
You (3) me drowning in your love	(Baby drowning)
Maybe I'm a drifter	Got me drowning
Maybe not	Keep me drowning in your love
'Cause I have known the safety	Baby I can't help it
Of falling free into your arms	Can't help it no, no
I don't need another lifeline	Every (7) I breathe I take you in
It's not for me	I do
It's only you can save me	And my heart beats again
(Oh) can't you see?	(Oh) yeah
I can't imagine	Baby I can't help it
Life without your love	Baby I can't help it
And even forever	You keep me drowning in (8) love
Don't seem (4) long enough	And every time I try to rise above
(It don't seem like (5) enough, yeah)	(Got me drowning)
'Cause every time I breathe I take you in	I'm swept away by love
And my heart beats again	Baby I can't (9) it
Baby I can't help it	You keep me drowning in
You keep me drowning in your love	Your love
And every time I try to rise above	

- 1. know
