

What I can do
To test the limits

Fill in the gaps

The (1) glows white on the mountain tonight	And (5) through
Not a footprint to be seen	No right, no wrong
A kingdom of isolation	No rules for me
And it (2) (3) I'm the queen	I'm free
The wind is howling like this swirling storm inside	Let it go
Couldn't keep it in, heaven knows I've tried	Let it go
Don't let them in	I am one with the wind and sky
Don't let them see	Let it go
Be the good girl you always have to be	Let it go
Conceal, don't feel	You'll never see me cry
Don't let them know	Here I stand
Well, now they know	And here I'll stay
_et it go	Let the (6) rage on
_et it go	My power flurries through the air into the ground
Can't hold it back anymore	My soul is spiraling in frozen fractals all around
_et it go	And one thought crystallizes like an icy blast
_et it go	I'm never (7) back
Turn (4) and slam the door	The (8) is in the past
don't care	Let it go
What they're going to say	Let it go
Let the storm rage on	When I rise like the (9) of dawn
The cold never bothered me anyway	Let it go
t's funny how some distance	Let it go
Makes everything seems small	That perfect girl is gone
And the fears that once controlled me	Here I stand in the light of day
Can't get to me at all	Let the storm rage on
t's time to see	The cold never bothered me anyway
