

## Fill in the gaps

The (1) glows (2) on the mountain	And (17) through
tonight	No right, no wrong
Not a footprint to be seen	No rules for me
A kingdom of isolation	I'm free
And it looks like I'm the queen	Let it go
The (3) is howling like this (4)	Let it go
storm inside	I am one with the wind and sky
Couldn't (5) it in, heaven knows I've tried	Let it go
Don't let them in	Let it go
Don't let (6) see	You'll (18) see me cry
Be the good girl you (7) have to be	Here I stand
Conceal, don't feel	And here I'll stay
Don't let them know	Let the storm (19) on
Well, now they know	My (20) flurries through the air into the ground
Let it go	My soul is spiraling in (21) fractals all around
Let it go	And one thought crystallizes like an icy blast
Can't (8) it (9) anymore	I'm (22) going back
Let it go	The past is in the past
Let it go	Let it go
Turn away and (10) the door	Let it go
I don't care	When I rise like the break of dawn
What they're going to say	Let it go
Let the storm rage on	Let it go
The (11) never (12) me	That perfect girl is gone
anyway	Here I stand in the (23) of day
It's funny how (13) distance	Let the storm (24) on
Makes (14) seems small	The (25) never bothered me anyway
And the fears that once (15) me	
Can't get to me at all	
It's (16) to see	
What I can do	
To test the limits	

## 1. snow
