

The snow glows white on the mountain tonight

## Fill in the gaps

And break through

Not a footprint to be seen	No right, no wrong
A kingdom of isolation	No rules for me
And it looks like I'm the queen	I'm free
The wind is howling like this swirling storm inside	Let it go
Couldn't keep it in, heaven knows I've tried	Let it go
Don't let them in	I am one with the wind and sky
Don't let them see	Let it go
Be the good girl you always have to be	Let it go
Conceal, don't feel	You'll never see me cry
Don't let them know	Here I stand
Well, now they know	And here I'll stay
Let it go	Let the storm rage on
Let it go	My power flurries through the air into the ground
Can't hold it back anymore	My (5) is spiraling in (6) fractals all
Let it go	around
Let it go	And one (7)
Turn (1) and slam the door	(8) like an icy blast
I don't care	I'm never going back
What they're (2) to say	The past is in the past
Let the storm rage on	Let it go
The (3) never bothered me anyway	Let it go
It's funny how some distance	When I rise like the break of dawn
Makes everything seems small	Let it go
And the fears that once controlled me	Let it go
Can't get to me at all	That perfect (9) is gone
It's (4) to see	Here I stand in the light of day
What I can do	Let the storm rage on
To test the limits	The cold never bothered me anyway
