

Home Again by Elton John

I'm (1)_____ on a memory	We all dream of leaving
To get me out of here	But wind up in the end
I'm waiting for the fog around	Spending all our time
This spooky little town to clear	Trying to get back home again
All (2)_____ time I spent being	Could have been a jailbreak
Someone else's friend	And a spotlight hitting me
Just one (3)_____ time	Or was I just some nightclub singer
For old time's sake	Back in 1963
I'd (4)_____ to go back home again	In the old part of Valencia
The world had seven wonders	On the coast of Spain
Once (5)_____ a time	Never (9)_____ once of hearing songs
It's sure enough the favored nations	About going home again
Aided their decline	If I could go back home
And all around me	If I could go back home
I've (6)_____ times	If I'd never left
Like it was back when	I'd never have known
But like back then	We all dream of leaving
I'd say a men	But wind up in the end
If I could get (7)_____ home again	Spending all our time
If I could go back home	Trying to get back home again
If I could go back home	
If I'd never left	
I'd never (8)_____ known
