

Fill in the gaps

You could never know (1) it's like	Looking like a true survivor
Your blood like winter freezes just like ice	Feeling like a (7) kid
And there's a (2) and lonely light	And I'm still standing after all this time
That shines from you	Picking up the pieces of my life
You'll wind up (3) the wreck you hide	Without you on my mind
Behind that mask you use	I'm still standing
And did you think this fool could never win	Yeah yeah
Well look at me, I'm coming back again	I'm (8) standing
I got a taste of love in a simple way	Yeah yeah
And if you need to know while I'm still standing	Don't you know that
You (4) fade away	I'm still standing better (9) I ever did
Don't you know I'm still standing	Looking like a true survivor
Better than I ever did	Feeling like a little kid
Looking like a true survivor	I'm (10) standing after all this time
Feeling like a little kid	Picking up the pieces of my life
And I'm still (5) after all this time	Without you on my mind
Picking up the pieces of my life	I'm still standing
Without you on my mind	Yeah yeah
I'm still standing	I'm still standing
Yeah yeah	Yeah yeah
I'm still standing	I'm still standing
Yeah yeah	Yeah yeah
Once I never could hope to win	I'm still standing
You starting down the road leaving me again	Yeah yeah
The threats you made	I'm still standing
Were meant to cut me down	Yeah yeah
And if our (6) was just a circus	I'm still standing
You'd be a clown by now	
You know, I'm still standing	
Better than I ever did
