

## Fill in the gaps

How does it feel
To treat me like you do
When you've laid your (1) upon me
And told me who you are
I thought I was mistaken
I thought I heard your words
Tell me how do I feel
Tell me now how do I feel
Those who came before me
Lived through their vocations
From the past until completion
They (2) turn away no more
And I still find it so hard
To say what I (3) to say
But I'm quite (4) that you'll tell me
Just how I should feel today

I see a ship in the harbor	
I can and (5) obey	
But if it wasn't for your misfortunes	
I'd be a heavenly (6)	_ today
And I thought I was mistaken	
And I thought I heard you speak	
Tell me how do I feel	
Tell me now how should I feel	
Now I stand here waiting	
I thought I told you to (7)	me
While I walked (8) to the	beach
Tell me how does it feel	
When your heart grows cold
