

Fill in the gaps

It's a little bit funny
This feeling inside
I'm not one of those who can
Easily hide
I don't have (1) money but
Boy if I did
I'd buy a big house where
We (2) (3) live
If I was a sculptor
But then again, no
Or a man
Who (4) potions in a
A (5) show
I know it's not much
But it's the best I can do
My gift is my song and
This one's for you
You can tell everybody
This is your song
It may be quite simple but
Now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is
While you're in the world
I sat on the roof
And kicked off the moss, well a few
Of the verses

Well they've got me quite cross

But the sun's (6) quite kind While I (7) this song It's for people like you that Keep it turned on So excuse me forgetting But (8) things I do, you see I've forgotten if they're green Or they're blue Anyway the (9) is What I really mean Yours are the sweetest eyes I've ever seen And you can tell everybody This is your song It may be quite simple but Now that it's done I hope you don't mind I hope you don't mind That I put down in words How wonderful life is While you're in the world
