No Surprise by Daughtry

Fill in the gaps

(And I hope and I hope)	But I know in time we'll find this was no surprise
I've practiced this for hours, gone (1) and round	Our favorite place we used to go
And now I think that I've got it all down	The warm embrace that no one knows
And as I say it louder, I love how it sounds	The lovin' look that's left your eyes
'Cause I'm not taking the easy way out	That's why this comes as no, as no surprise
Not wrappin' (2) in ribbons	If I could see the future and how this plays out
Shouldn't have to give a reason why	I bet it's better than where we are now
It's no surprise. I won't be here tomorrow	But after going through this
I can't believe that I stayed 'til today	It's easier to see the reason why
Yeah you and I will be a tough act to follow	It's no surprise I won't be here tomorrow
But I know in time we'll find this was no surprise	I can't (7) that I stayed 'til today (stayed 'til
It came out like a river, once I let it out	today)
When I thought that I wouldn't know how	Yeah you and I (8) be a tough act to follow
Held onto it forever, just pushing it down	But I know in time we'll find this was no surprise
It felt so good to let go of it now	The kiss goodnight, it comes with me
Not wrapping (3) in ribbons	Both wrong and right, our memories (our memories)
Shouldn't have to give a reason why	The (9) (10) we
It's no surprise. I won't be here tomorrow	sleep,
I can't believe that I stayed 'til today	Just one more thing that you can't keep (you can't keep)
There's nothing here in this heart left to borrow	Our favorite place we used to go
There's (4) here in this soul left to save	The warm embrace that no one knows
Don't be surprised when we hate this tomorrow	The lovin' look that's left your eyes
God knows we tried to find an easier way	But I know in time we'll find this was no surprise
Yeah you and I (5) be a (6) act to	(And I hope, and I hope, and I hope, and I hope, and I hope.)
