

I'm loving every day

I know that I'm the same Jenny from around the way

Fill in the gaps

My head's killing me	They (6) me to lie down
I'm losing sleep	They want me to crawl
And I'm waking up tired (of it all)	They want me to cry now
Early in the morning	But I've never fallen off
And there's something already	Why you tryna put the world up on my shoulders?
With my name always involved	Get off of me
I try to get rid of the baggage	Get off of me
Fake friends I call them "has-been"	Too damn grown, I don't owe nobody
Yeah they lying on stuff	Get off of me
And I don't (1) if they don't show me (2)	Get off of me
(no)	Why you tryna put the world up on my shoulders?
They want me to lie down	Get off of me
They want me to crawl	Get off of me
They want me to cry now	Too damn grown, I don't owe nobody
But I've never fallen off	Get off of me
Why you tryna put the world up on my shoulders?	Get off of me
Get off of me	Cuz in the end I'm (7) the same girl (same girl)
Get off of me	Same girl (same girl)
Too damn grown, I don't owe nobody	Same girl (same girl)
Get off of me	I'm just the same (8) (same girl)
Get off of me	Same girl (same girl)
Why you tryna put the world up on my shoulders?	Same girl (same girl)
Get off of me	I'ma keep on growing
Get off of me	Keep on shinin'
Too (3) grown, I don't owe nobody	Just wanna do me
Get off of me	I had to thank God 'cause he chose me
Get off of me	I'm (9) the same girl
Cuz in the end I'm still the same girl (same girl)	Why you tryna put the world up on my shoulders?
Same girl (same girl)	Get off of me
Same girl (same girl)	Get off of me
I'm (4) the same girl (same girl)	Too (10) grown, I don't owe nobody
Same girl (same girl)	Get off of me
Same girl (same girl)	Get off of me
Show me what I gotta do	Why you tryna put the world up on my shoulders?
I'm tryna make it clear to you	Get off of me
Not dealing with the attitude	Get off of me
I'm tired of tryna make you see that I'm still me	Too damn grown, I don't owe nobody
Switched up my longitude and latitude	Get off of me
You're in my way, you (5) move	Get off of me
'Cause I'm on the same ground	
No, I never changed
