

## Fill in the gaps

### I Love My Computer by Bad Religion

I love my computer  
You make me (1)\_\_\_\_\_ alright  
Every (2)\_\_\_\_\_ hour  
And every lonely night  
I love my computer  
For all you give to me:  
Predictable errors and no identity  
And it's never been quite so easy  
I've never been quite so happy  
All I need to do is click on you  
And we'll be joined  
In the most soul-less way  
And we'll never (3)\_\_\_\_\_ each other's day  
'cuz when I'm through I just click  
And you (4)\_\_\_\_\_ go away  
I love my computer  
You're always in the mood  
I get so turned on

When I (5)\_\_\_\_\_ on you  
I love my computer  
You never ask for more  
You can be a princess  
Or you can be my whore  
And it's never been quite so easy  
I've never (6)\_\_\_\_\_ (7)\_\_\_\_\_ so happy  
The world outside is so big  
But it's safe in my domain  
Because to you  
I'm just a number  
And a clever screen name  
All I (8)\_\_\_\_\_ to do is click on you  
And we'll be together for eternity  
And no one is ever gonna take my love  
From me because I've got security  
Her (9)\_\_\_\_\_ and a key

## Fill in the gaps

Answer

1. feel
2. waking
3. ruin
4. just
5. turn
6. been
7. quite
8. need
9. password
