

Strolling so casually

Fill in the gaps

We're a (1)	miles from comfort	We're different and the same
We have travelled (2)	and sea	Get you another name
But as long as you are with me		Switch up the batteries
There's no place I'd rather be		If you gave me a chance
would have waited forever		I would take it
Exalted in the scene		It's a shot in the dark
As long as I am (3)	you	But I'll (9) it
My heart continues to beat		Know with all of your heart
With every step we take		You can't (10) me
Kyoto to the bay		When I am with you
Strolling so casually		There's no place I'd (11) be
We're different and the same		No no, no place I'd rather be
Get you (4)	name	No no, no place I'd rather be
Switch up the batteries		No no, no place I'd rather be
f you gave me a chance		When I am with you
would take it		There's no (12) I'd rather be
t's a shot in the dark		If you gave me a chance
But I'll make it		I (13) take it
Know with all of your heart		It's a shot in the dark
You can't shake me		But I'll make it
When I am with you		Know (14) all of your heart
There's no place I'd rather be		You can't (15) me
No no, no place I'd rather be		When I am with you
No no, no (5) I'd	rather be	There's no place I'd rather be
No no, no (6) I'd	rather be	No no, no place I'd rather be
We set out on a mission		No no, no (16) I'd rather be
To find our inner peace		No no, no (17) I'd (18) be
Make it everlasting		When I am with you
So (7) is inc	complete	There's no place I'd (19) be
t's easy being (8)	you	No no, no place I'd (20) be
Sacred simplicity		No no, no place I'd (21) be
As long as we're together		No no, no (22) I'd rather be
There's no place I'd rather be		When I am with you
With every step we take		There's no place I'd rather be
