

Fill in the gaps

A long, (1) time ago	When I went (21) to the sacred store
can (2) remember	Where I'd heard the music years before
How that music used to make me smile	But the man there said the (22) wouldn't play
And I (3) that if I had my chance	Well now, in the streets the children screamed
could make (4) people dance	The (23) cried, and the poets dreamed
And (5) they'd be happy for a while	But not a word was spoken
Did you (6) the book of love?	The church (24) all were broken
And do you have faith in God above	And the (25) men I admire the most
f the Bible tells you so?	The Father, Son and the Holy Ghost
Now do you believe in Rock 'n' roll	They caught the last train for the coast
And can music save (7) mortal soul?	The day the music died
And can you teach me how to dance real slow?	We started singing
Vell, I (8) (9) you're in love	Bye, bye, Miss American Pie
10) him	Drove my Chevy to the levee
Cause I saw you dancin' in the gym	But the levee was dry
ou both kicked off (11) shoes	And good old boys were drinkin' (26) and
Man, I dig (12) rhythm and blues	rye
was a lonely teenage broncin' buck	Singing this'll be the day that I die
Nith a (13) (14) and a	This'll be the day that I die
pick-up truck	Bye, bye, (27) American Pie
But I knew that I was out of luck	Drove my Chevy to the levee
The day the music died	But the levee was dry
(15) singing	And good old boys were drinkin' whiskey and rye
Bye, bye, Miss (16) Pie	Singing this'll be the day that I die
Drove my Chevy to the levee	This'll be the day that I die
But the (17) was dry	We started singing
And good old boys were drinkin' whiskey and rye	We started singing
Singing this'll be the day that I die	We started singing
This'll be the day that I die	We started singing
met a (18) who sang the blues	
And I asked her for some (19) news	
But she (20) smiled and turned away
