

I see what it's like for day and night

Fill in the gaps

I figured it out		Never together	
I figured it out from black and white		Cause they see (6)	in a different ligh
Seconds and hours		Like us	
Maybe they had to take some time		They never tried	
I know how it goes		Like us	
I know how it goes from wrong and right		You and I	
Silence and sound		We don't wanna be like them	
Did they ever hold (1) (2)	tight	We can make it till the end	
Like us		Nothing can come between	
Did they ever fight		You and I	
Like us		Not even the (7) above can	
You and I		Separate the two of us	
We don't wanna be (3) them		'Cause You and I	
We can make it till the end		We don't wanna be like them	
Nothing can (4) between		We can make it (8) the end	
You and I		Nothing can come between	
Not even the Gods (5) can		You and I	
Separate the two of us		Not even the Gods above can	
No nothing can come between		Separate the two of us	
You and I		No (9) can	come between
Oh, you and I		You and I	
I figured it out		Oh, you and I	
Saw the mistakes of up and down		Ooooh You and I	
Meet in the middle		We (10) make it if we try	
There's always room for common ground		Oh, you and I	
I see what it's like		You and I
