

## Fill in the gaps

When I first held you I was cold	And I (12) you so let's watch the
A melting snowman I was told	(13) grow
But there was no one (1) to hold	So now we're here and now is fine
Before I (2) I would be alone for	So far (14) (15) (16) and
(4) more	there is time time
Wow look at you now, flowers in the window	To plant new seeds and (17) (18)
It's such a lovely day	grow
And I'm glad you feel the same	So there'll be flowers in the window (19) we go
'Cause to stand up out in the crowd	Wow (20) at us now, flowers in the window
You are one in a million	It's such a lovely day
And I love you so	And I'm (21) you (22) the same
Let's (5) the (6) grow	'Cause to stand up out in the crowd
There is no reason to feel bad	You are one in a million
But (7) are (8) seasons to feel bad	And I love you so let's (23) the flowers grow
sad mad	Oh wow look at you now, flowers in the window
It's just a bunch of (9) that we have to	It's such a lovely day
hold	And I'm glad you (24) the same
But I am here to help you with the load	'Cause to stand up out in the crowd
Wow look at you now, flowers in the window	You are one in a million
It's such a lovely day	And I (25) you so let's watch the flowers grow
And I'm (10) you feel the same	grow
'Cause to (11) up out in the crowd	Let's (26) the (27) grow
You are one in a million
