

And I want you

Fill in the gaps

I want you by my side	We can bring it on the floor
So that I never feel alone again	You've never danced like this before
They've always been so kind	But we don't talk about it
But now they've brought you away from here	Dancin' on
I hope they didn't get (1) mind	Doin' the boogie all night long
Your heart is too strong anyway	Stoned in paradise
We need to (2) back the time	Shouldn't talk about it
They have (3) from us	And I want you
And I want you	We can bring it on the floor
We can bring it on the floor	You've never danced (9) this before
You've never danced like this before	But we don't talk about it
But we don't talk about it	Dancin' on
Dancin' on	Doin' the boogie all night long
Doin' the boogie all night long	Stoned in paradise
Stoned in paradise	Shouldn't talk about it
Shouldn't (4) about it	Shouldn't talk about it
And I (5) you	And I want you
We can bring it on the floor	We can bring it on the floor
You've (6) danced like this before	You've never danced like this before
But we don't talk about it	But we don't talk about it
Dancin' on	Dancin' on
Doin' the boogie all night long	Doin' the boogie all night long
Stoned in paradise	Stoned in paradise
Shouldn't talk about it	Shouldn't talk about it
Shouldn't talk (7) it	And I want you
Coldest winter for me	We can bring it on the floor
No sun is shining anymore	You've never danced like this before
The only (8) I feel is pain	But we don't talk about it
Caused by absence of you	Dancin' on
Suspence is controlling my mind	Doin' the boogie all night long
cannot find the way out of here	Stoned in paradise
I want you by my side	Shouldn't talk about it
So that I never feel alone again	Shouldn't talk about it
