

Fill in the gaps

I want you by my side	We can (17) it on the floor
So (1) I never feel alone again	You've never danced like this before
They've always been so kind	But we don't talk (18) it
But now they've brought you away (2) here	Dancin' on
I hope they didn't get your mind	Doin' the boogie all night long
Your heart is too (3) anyway	Stoned in paradise
We (4) to fetch back the time	Shouldn't (19) about it
They have stolen from us	And I want you
And I (5) you	We can bring it on the floor
We can (6) it on the floor	You've (20) danced like this before
You've never danced like this before	But we don't talk about it
But we don't talk (7) it	Dancin' on
Dancin' on	Doin' the boogie all (21) long
Doin' the boogie all night long	Stoned in paradise
Stoned in paradise	Shouldn't talk about it
Shouldn't talk about it	Shouldn't (22) it
And I want you	And I want you
We can bring it on the floor	We can (24) it on the floor
You've (8) danced like (9) before	You've never danced like this before
But we don't (10) about it	But we don't talk about it
Dancin' on	Dancin' on
Doin' the boogie all night long	Doin' the (25) all night long
Stoned in paradise	Stoned in paradise
Shouldn't talk about it	Shouldn't talk about it
Shouldn't talk about it	And I want you
Coldest (11) for me	We can bring it on the floor
No sun is shining anymore	You've never danced like this before
The (12) thing I feel is pain	But we don't talk (26) it
Caused by absence of you	Dancin' on
Suspence is controlling my mind	Doin' the boogie all night long
I cannot find the way out of here	Stoned in paradise
I (13) you by my side	Shouldn't (27) about it
So (14) I (15) feel (16)	Shouldn't talk about it
again	
And I want you
