Lovers On The Sun by David Guetta

Let's (1) it up, let's light it up	It's a feeling that's worth dying for
Until our hearts catch fire	Just close (6) eyes
Then show the world a burning light	And hold your breath
That never shined so bright	Because it feels right
We'll find a way, we'll find a way	We'll keep it (7)
To (2) the cold night	Until we make it to the other side
From breaking in (3) the walls	And let's (8) the ride
Onto the wild side	We're (9) up
The (4) satisfied	We might as well be lovers on the sun
We're burning up	We might as well be lovers on the sun
We (5) as well be lovers on the sun	We might as well be lovers on the sun
We might as well be lovers on the sun	Let's light it up, let's light it up
We might as well be lovers on the sun	Until our hearts catch fire
We'll never know, we'll never know	Then show the world a burning light
What stands behind the door	That (10) shined so brigh
But I got a feeling
