

Fill in the gaps

Lovers On The Sun by David Guetta

Let's light it up, let's light it up	It's a feeling that's worth dying for
Until our hearts catch fire	Just close your eyes
Then (1) the world a burning light	And hold your breath
That never shined so bright	Because it feels right
We'll (2) a way, we'll find a way	We'll keep it moving
To keep the (3) night	Until we make it to the other side
From breaking in over the walls	And let's enjoy the ride
Onto the wild side	We're burning up
The hunger satisfied	We (6) as well be lovers on the sur
We're burning up	We (7) as well be lovers on the sur
We might as (4) be (5) on the sun	We might as well be lovers on the sun
We might as well be lovers on the sun	Let's (8) it up, let's light it up
We might as well be lovers on the sun	Until our hearts catch fire
We'll never know, we'll never know	Then show the world a burning light
What stands behind the door	That never (9) so bright
But I got a feeling	

- 1. show
- 2. find
- 3. cold
- 4. well
- 5. lovers
- 6. might
- 7. might
- 8. light
- 9. shined
