Never keeping it real

Fill in the gaps

I Will Never Let You Down by Rita Ora

Tell me, baby, what we're gonna do	I know exactly now you feel
I'll make it easy, got a lot to lose	When you say you've had enough
Watch the sunlight coming through	And you might just give it up
Open the window, let it shine on you	Oh, oh
Cause I've been sick and working all week	I will never let you down
And I've been (1) just fine (Hey!)	When you're feeling low on love
You've been tired of watching me	I'll be what you dreaming of
Forgot to have a good time, boy (Hey!)	Oh, oh
You can't take it all these faces	I will never let you down
Never keeping it real	(Hey!)
I know exactly how you feel	Oh, oh
When you say you've had enough	I (5) never let you down
And you (2) just give it up	(Hey!)
Oh, oh	Oh, oh
I will never let you down	I will never let you down
When you're feeling low on love	Let me take you where you never go
I'll be what you dreaming of	Have a little fun, it's the only way we know
Oh, oh	Let me show you (6) you never see
l will never let you down	You know how to love only (7) you're holding me
(Hey!)	When you say you've had enough
Oh, oh	And you might just give it up
l will never let you down	Oh, oh
(Hey!)	I will (8) let you down
Oh, oh	When you're feeling low on love
l will never let you down	I'll be (9) you dreaming of
There's a million ways to go	Oh, oh
Don't be embarrassed if you lose control	I will never let you down
On the rooftop, now you know	When you say you've had enough
Your body's frozen and you lost your soul	And you might just give it up
'Cause I've been sick and working all week	Oh, oh
And I've (3) doing just fine (Hey!)	I will never let you down
You've been tired of watching me	When you're (10) alone in love
Forgot to have a (4) time, boy (Hey!)	I'll be what you dreaming of
You can't take it all these faces	I will never let you down
