## Fill in the gaps

I heard you're feeling nothing's (1) right	Boy, when you're with me
Why don't you let me stop by?	I'll give you a taste
The clock is ticking, running out of time	Make it like your birthday everyday
So we should party all night	I know you like it sweet
So cover your eyes,	So you can (4) your cake
I have a surprise	Give you (5) (6) to
I hope you got a healthy appetite	celebrate
If you wanna dance,	So make a wish
If you want it all	I'll make it like your birthday everyday
You know (2) I'm the girl that you should call	I'll be your gift
Boy, when you're with me	Give you something good to celebrate
I'll give you a taste	Happy birthday
Make it like your birthday everyday	So let me get you in (7) birthday suit
I know you like it sweet	It's time to bring out the big balloons
So you can have your cake	So let me get you in your birthday suit
