

## Fill in the gaps

I heard you're feeling nothing's going right	Boy, when you're with me
Why don't you let me stop by?	I'll give you a taste
The clock is ticking, running out of time	Make it like (5) (6) everyday
So we should party all night	I know you like it sweet
So cover your eyes,	So you can have your cake
I have a surprise	Give you something good to celebrate
I hope you got a healthy appetite	So make a wish
If you wanna dance,	I'll make it like your birthday everyday
If you want it all	I'll be your gift
You know that I'm the girl (1) you should call	Give you something good to celebrate
Boy, when you're with me	Happy birthday
I'll (2) you a taste	So let me get you in your birthday suit
Make it like (3) birthday everyday	It's time to bring out the big balloons
