

I miss the taste of a sweeter life

I miss the conversation

I'm searching for a song tonight

I'm changing all of the stations

I like to think that we had it all

We drew a map to a better place

But on that road I took a fall

Oh baby why did you run away?

I was there for you

In your darkest times

I was there for you

In your darkest nights

But I wonder where were you?

When I was at my worst

Down on my knees

And you said you had my back

So I wonder where were you?

When all the roads you took came back to me

So I'm following the map that leads to you

The map that leads to you

Ain't nothing I can do

The map that leads to you

Following, following to you

The map that leads to you

Ain't nothing I can do

The map that leads to you

Following, following, following

I hear your voice in my sleep at night

Hard to (1)_____ temptation

'Cause something strange has come over me

And now I can't get over you

No, I (2)_____ you

I was there for you

In your darkest times

I was there for you

In (4)____ darkest nights

But I wonder where were you?

When I was at my worst

Down on my knees

And you (5)_____ you had my back
