

## Fill in the gaps

I miss the taste of a sweeter life	So I wonder where were you?
I miss the conversation	When all the roads you took came (18) to me
l'm (1) for a (2) tonight	So I'm following the map that leads to you
I'm changing all of the stations	The map that (19) to you
I like to (3) that we had it all	Ain't nothing I can do
We drew a map to a better place	The map that leads to you
But on that (4) I (5) a fall	Following, following to you
Oh baby why did you run away?	The map (20) leads to you
I was (6) for you	Ain't nothing I can do
In your darkest times	The map that leads to you
I was there for you	Oh oh oh
In (7) (8) nights	Oh oh oh
But I wonder where were you?	Yeah yeah
When I was at my worst	Oh oh oh
Down on my knees	Oh, I was there for you
And you said you had my back	Oh, in your darkest time
So I wonder where were you?	Oh, I was there for you
When all the (9) you took came back to me	Oh, in (21) darkest nights
So I'm following the map that leads to you	Oh, I was (22) for you
The map (10) leads to you	Oh, in (23) darkest time
Ain't nothing I can do	Oh, I was there for you
The map that leads to you	Oh, in your (24) nights
Following, following to you	But I wonder where were you?
The map that (11) to you	When I was at my worst
Ain't (12) I can do	Down on my knees
The map that (13) to you	And you said you had my back
Following, following	So I wonder where (25) you?
I hear your voice in my sleep at night	When all the roads you took came (26) to me
Hard to resist temptation	So I'm following the map that leads to you
'Cause (14) strange has come over	The map that (27) to you
me	Ain't nothing I can do
And now I can't get over you	The map that leads to you
No, I just can't get (15) you	Following, following to you
I was there for you	The map that leads to you
In your darkest times	Ain't (28) I can do
I was there for you	The map that leads to you
In (16) darkest nights	Following, following
But I wonder where were you?	
When I was at my worst	
Down on my knees	
And you (17) you had my hack
