## Don't by Ed Sheeran

She said don't you worry if I disappear

I met this girl late last year

Wish I'd have written it down

I told her I'm not really looking for another mistake I called an old friend thinking that the trouble would wait But then I jump right in A week later returned I reckon she was only looking for a lover to burn But I gave her my time for two or three nights Then I put it on pause 'til the moment was right I went away for months until our paths crossed again She told me I was never looking for a friend Maybe you (1)\_\_\_\_\_ by my room around 10 Baby bring a lemon and a bottle of gin We'll be in between the sheets 'til the late AM Baby if you wanted me then you should've just said She's singing Don't fuck with my love That heart is so cold All over my home I don't wanna know that babe Don't fuck with my love I told her she knows Take aim and reload I don't wanna know that babe For a couple weeks I Only want to see her We drink away the days with a take-away pizza Before a text message was the only way to reach her Now she's staying at my place and loves the way I treat her Singing out Aretha All (3)\_\_\_\_\_ the track like a feature And (4)\_\_\_\_\_ wants to sleep, I guess that I don't want to either But me and her we make money the (5)\_\_\_\_ Four cities, two (6)\_\_\_\_\_ the same day Those shows have never been what it's about But maybe we'll go together and just figure it out \_\_\_\_\_ put on a film with you and sit on the couch But we should get on a plane Or we'll be missing it now

There is a nave without it down
The way that things played out
When she was kissing him
How? I was confused about
She should figure it out while I'm sat here singing
Don't fuck with my love
That (8) is so cold
All over my home
I don't (9) know that babe
Don't fuck with my love
I told her she knows
Take aim and reload
I don't wanna know that babe
[Knock knock knock] on my hotel door
I don't even know if she knows (10) for
She was crying on my shoulder
I already told ya
Trust and respect is what we do this for
I never intended to be next
But you didn't need to take him to bed that's all
And I never saw him as a threat
Until you disappeared with him to have sex of course
It's not like we were both on tour
We were staying on the same fucking hotel floor
And I wasn't looking for a promise or commitment
But it was never just fun and I thought you were different
This is not the way you realize what you wanted
It's a bit too much, too late if I'm honest
All this time God knows I'm singing
Don't fuck with my love
That heart is so cold
All over my home
I don't wanna know that babe
Don't fuck with my love
I told her she knows
Take aim and reload
I don't wanna know that babe
