

Fill in the gaps

Love comes close to you
Your love it makes me stronger
No (1) what we're going through
I won't look back, won't look, won't look back
I won't (2) back, won't look, won't look back
You make me wanna (3) forever
You're my remedy to yesterday
Now my struggle seems so far away
And life will (4) be the same
Living it up, living it up, living it up
Life ain't a party, you are dancing by my side, yeah
Living it up, living it up, living it up
Life ain't a party, you are dancing by my side
Love comes close to you
Your love it makes me stronger
No matter what we're going through
I won't look back, won't look, won't look back
I won't look back, won't look, won't look back
You make me wanna live forever
You're my remedy to yesterday
Now my struggle seems so far away

And life will never be the same
I wish (5) was always this easy
But (6) now and (7) it brings us down
But I know that I can count on you
To keep the music (8) on, on, on (no)
Living it up, living it up, living it up
Life ain't a party, you are dancing by my side, yeah
Living it up, living it up, living it up
Life ain't a party, you are dancing by my side
Love comes close to you
Your love it makes me stronger
No matter what we're going through
I won't look back, won't look, won't look back
I won't (9) back, won't look, won't look back
You make me wanna live forever
You're my remedy to yesterday
Now my (10) seems so far away
And life will never be the same
