## Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm gonna show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna love ya, I'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you breathe for it
Like a black widow, baby	Till you do any and (6) for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're both down to play then somehow you go astray	Wake up and dream for it
We went (1) nothing to something, liking to loving	Till it's got you gasping for air
It was us (2) the world and now we just	And you lean for it
fucking	'Till they have a CAT scan and check on your mind
It's like I loved you so much and now I just hate you	And it's nothing but me, on it (on it, on it, on it)
Feeling stupid for all the time that I gave you	Now it's me-time believe that
I wanted all or nothing for us ain't no place in between	If it's yours when you want it
Might, (3) be me believing what you say that you	I wouldn't (7) I need that
never mean	Till I'm everywhere that you be at
never mean Like it'll last forever but now forever ain't as long	Till I'm everywhere that you be at I can't fall back go quick
Like it'll last forever but now forever ain't as long	I can't fall back go quick
Like it'll last forever but now forever ain't as long  If it wasn't for you I wouldn't be stuck singing this song	I can't fall back go quick  Cause (8) here a fatal attraction so I take it all or I
Like it'll last forever but now forever ain't as long  If it wasn't for you I wouldn't be stuck singing this song  You were different from my last but now you got it mirrored	I can't fall back go quick  Cause (8) here a fatal attraction so I take it all or I don't want shit
Like it'll last forever but now forever ain't as long  If it wasn't for you I wouldn't be stuck singing this song  You were different from my last but now you got it mirrored  And as it all (4) out I see it couldn't be clearer	I can't fall back go quick  Cause (8) here a fatal attraction so I take it all or I don't want shit  You used to be thirsty for me (Right)
