Fill in the gaps

Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm gonna show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna love ya, I'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna (1) ya	Till you feel like you breathe for it
Like a (2) widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're both down to play then somehow you go astray	Wake up and dream for it
We went from (3) to something, liking to	Till it's got you gasping for air
loving	And you lean for it
It was us against the world and now we just fucking	'Till they have a CAT scan and check on your mind
It's like I loved you so (4) and now I just hate you	And it's nothing but me, on it (on it, on it, on it)
Feeling stupid for all the time that I gave you	Now it's me-time believe that
I wanted all or nothing for us ain't no place in between	If it's yours when you want it
Might, might be me believing what you say that you never	I wouldn't promise I need that
mean	Till I'm everywhere that you be at
Like it'll (5) forever but now forever ain't as long	I can't fall back go quick
If it wasn't for you I wouldn't be stuck singing this song	Cause this here a fatal attraction so I take it all or I don't want
You were different from my last but now you got it mirrored	shit
And as it all plays out I see it couldn't be clearer	You used to be thirsty for me (Right)
Now sing	But now you wanna be set free
You used to be thirsty for me	This is the web, web that you weave
But now you wanna be set free	So (7) now rest in peace (It's all over (8)
This is the web, web that you weave	now)
So (6) now rest in peace (It's all over with now)	I'm gonna love ya
I'm gonna love ya	Until you hate me (Right)
Until you hate me (Right)	And I'm gonna (9) ya (Show 'em (10)
And I'm gonna show ya (Show 'em what show 'em what)	show 'em what)
What's really crazy	What's really crazy
You should've known better	You should've known better
Than to mess with me, honey (it's all over with now)	Than to mess with me, honey
I'm gonna love ya, I'm gonna love ya	I'm gonna love ya, I'm gonna love ya
Gonna love ya, gonna love ya	Gonna love ya, gonna love ya
Like a black widow, baby	Like a black widow, baby
Black, black widow, baby	Bl-bl-bla-black widow, baby
