

Black, black widow, baby

Fill in the gaps

Black Widow (feat. Rita Ora) by Iggy Azalea

'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you (1) me	Just to get you I'm doing whatever works
And I'm (2) show ya	You've never met nobody
What's (3) crazy	That'll do you how I do ya
You should've known better	That will (16) you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
'm gonna love ya, I'm gonna love ya	l'm-a (17) you beg for it, plead for it
Gonna love ya, gonna (4) ya	Till you feel (18) you breathe for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I (19) you to fiend for it
First we're both down to play then somehow you go astray	Wake up and (20) for it
We went (5) nothing to something, liking to loving	Till it's got you gasping for air
t was us against the world and now we (6) fucking	And you (21) for it
t's like I (7) you so much and now I	'Till (22) have a CAT scan and check on your mind
(8) hate you	And it's nothing but me, on it (on it, on it, on it)
Feeling stupid for all the time that I gave you	Now it's me-time believe that
wanted all or nothing for us ain't no place in between	If it's (23) when you want it
Might, might be me believing what you say that you never	I wouldn't promise I (24) that
mean	Till I'm everywhere that you be at
Like it'll last forever but now forever ain't as long	I can't fall back go quick
f it wasn't for you I wouldn't be (9) singing this	Cause this here a fatal attraction so I take it all or I don't want
song	shit
You were different from my last but now you got it mirrored	You used to be thirsty for me (Right)
And as it all plays out I see it couldn't be clearer	But now you (25) be set free
Now sing	This is the web, web that you weave
You used to be (10) for me	So baby now rest in peace (It's all over with now)
But now you wanna be set free	I'm gonna love ya
This is the web, web (11) you weave	Until you hate me (Right)
So baby now rest in peace (It's all over with now)	And I'm gonna show ya (Show 'em (26) show 'em
'm gonna love ya	what)
Until you hate me (Right)	What's really crazy
And I'm gonna show ya (Show 'em what show 'em what)	You should've (27) better
What's really crazy	Than to mess with me, honey
You should've known better	I'm gonna (28) ya, I'm gonna love ya
Than to mess with me, honey (it's all over with now)	Gonna love ya, gonna love ya
'm gonna love ya, I'm (12) love ya	Like a (29) widow, baby
Gonna (13) ya, (14) (15)	Bl-bl-bla-black widow, baby
ya	
_ike a black widow, baby
