## Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm gonna (1) ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've (2) better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna love ya, I'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you breathe for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always (3)	I want you to fiend for it
the same	Wake up and dream for it
First we're both down to play then (4) you	Till it's got you gasping for air
go astray	And you lean for it
We went from nothing to something, liking to loving	'Till they have a CAT (9) and check on your mind
It was us against the world and now we just fucking	And it's nothing but me, on it (on it, on it, on it)
It's like I loved you so much and now I just hate you	Now it's me-time believe that
Feeling stupid for all the time that I (5) you	If it's yours when you want it
I wanted all or nothing for us ain't no place in between	I wouldn't promise I need that
Might, might be me believing what you say that you never	Till I'm everywhere that you be at
mean	I can't fall back go quick
Like it'll (6) forever but now forever ain't as long	Cause (10) here a fatal attraction so I take it all or I
If it wasn't for you I wouldn't be stuck singing this song	don't want shit
You were different from my last but now you got it mirrored	You used to be thirsty for me (Right)
And as it all plays out I see it couldn't be clearer	But now you wanna be set free
Now sing	This is the web, web that you weave
You used to be thirsty for me	So baby now rest in peace (It's all over with now)
But now you wanna be set free	I'm gonna love ya
This is the web, web that you weave	Until you hate me (Right)
So baby now rest in (7) (It's all over with now)	And I'm gonna show ya (Show 'em what show 'em what)
I'm gonna love ya	What's really crazy
Until you hate me (Right)	You should've known better
And I'm gonna show ya (Show 'em what show 'em what)	Than to mess with me, honey
What's really crazy	I'm gonna love ya, I'm gonna love ya
You should've known better	Gonna love ya, gonna love ya
Than to mess with me, honey (it's all over with now)	Like a black widow, baby
l'm gonna love ya, I'm gonna love ya	Bl-bl-bla-black widow, baby
Gonna love ya, gonna love ya
