you've done

I'm Not The Only One by Sam Smith

You and me, we made a vow	'Cause you don't think I know (5) you've done
For better or for worse	But when you (6) me baby
I can't believe you let me down	I know I'm not the (7) one
But the proof's in the way it hurts	I have loved you for many years
For months on end I've had my doubts	Maybe I am just not enough
Denying every tear	You've made me (8) my deepest fear
I (1) this would be over now	By lying and tearing us up
But I know that I still need you here	You say I'm crazy
You say I'm crazy	'Cause you don't think I know what you've done
'Cause you don't think I know what you've done	But when you call me baby
But when you call me baby	I know I'm not the only one
I know I'm not the (2) one	I know I'm not the only one
You've been so unavailable	I know I'm not the only one
Now sadly I (3) why	And I know
Your heart is unobtainable	I (9) I'm not the only one
Even though Lord knows you (4) mine	
You say I'm crazy
