Fill in the gaps

Changing (feat. Paloma Faith) by Sigma

Hell down, heaven down	This ain't real, this ain't true
Livin' in the same town	This ain't what I signed up to
Tryna find something new	This ain't right, it's no good
Broken picture frame	No good, oh
I've (1) frozen in	Everything is changing
Tryna find a (2) view	And I've been here for too long
This ain't real, this ain't cool	Going through the same things
This ain't what I signed up to	I've been (6) too long,
This ain't right, it's no good	Got to move on
No good, oh	Say I-I-I-I can't do (7) anymore
Everything is changing,	If (8) is changing
And I've (3) here for too long	And I know, yeah, you gotta let go
Going through the same things	Ooh oh oh
I've been hurting too long,	Ooh oh oh
Got to (4) on	Ooh oh oh
Say I-I-I-I can't do this anymore	Gotta let go
If everything is changing	Ooh oh oh
And I know, yeah, you gotta let go	Ooh oh oh
Ooh oh oh	Ooh oh oh
Ooh oh oh	Gotta let go
Ooh oh oh	I've been here for too long
Gotta let go	I've been here for too long
Ooh oh oh	I've been here for too long
Ooh oh oh	I've been here for too long
Ooh oh oh	I've been here for too long
Gotta let go	I've been (9) for too long
I don't understand playing by the same hand	I've been (10) for too long
How you find something new	Everything is changing
I can't work it out what it's all about	
I won't live my (5) through you
