## Lullaby (feat. Tori Kelly) by Professor Green

	It just makes my day harder, I wonder if
All the time I have layed in your love	It would've been any different if I had a father that I knew
When your love kept me safe through the night	Could it (10) (11) shape the way
All the time I was sure you were mine	that I grew?
And before time demands our goodbye	But the point of things I never have (12) from
Can you sing me a (1) lullaby?	Being a reason for the things that I do
t's been a while since I last dreamt	To (13) being an excuse that I'd use
Barely remember what it's like to dream	I've (14) take
Finding it hard to get to sleep, too stressed	(15) for the things I do
And there ain't (2) to sing a lullaby to me	Find something other than negativity for my fuel
Pretend shit doesn't get to me	But I feed off it, even when I don't seem bothered
And I suffer in silence when I'm hurting	I hide everything that's (16) on inside
A man's problems are his own	Guess it's been a while since I've been honest, I need help
And it's my burden	But I (17) it and (18) lie to myself
Tossing and turning, trying to get to sleep	(19) I'm fine
But I find it hard to switch off when my mind's working	All the time I have layed in your love
ponder on things I shouldn't (3) on	When (20) (21) (22) me safe
Off the rails, my train of thought's wandering	through the night
Sick of pretending to be so happy	All the time I was sure you were mine
All the while my anxiety's away at me	And before time demands our goodbye
My skin crawling, I look up to the sky	Can you sing me a last lullaby?
And it falls, the walls close in and it's	I just wish someone (23) tell me it would be OK
As if all the good in my (4) disappears	But pessimism leads me to believe that it won't
n an instant, that thing is just so distant	To see even a glimmer of hope in the darkness
So seeing the ones who I love, the ones who love me	Is (24) and (25) is a
But I don't wanna tell em how I feel in case they	slippery slope
(5) me	I don't wanna do what my dad did with a rope, though
t's (6) me, wish I could let somebody in	So I carry on even though it's hard to
But I ain't ever been too trusting	The only thing that's definite is (26) and
All the time I have layed in your love	(27) always change
When your love kept me safe through the night	As long as you give em a chance to
All the time I was sure you were mine	All the time I have layed in your love
And before time demands our goodbye	When your love kept me safe through the night
Can you sing me a last lullaby?	All the time I was sure you were mine
've barely had any (7) when I get up	And before time demands our goodbye
Sick of all these (8) and these night	Can you sing me a last lullaby?
errors	(Can you sing me a last lullaby?)
Like it's only when I'm in heaven that I sleep better	All the time I (28) layed in your love
Might sleep (9) when I get up, I'm weak	When your love kept me safe through the night
	All the time I was sure you were mine
	And before time demands our goodbye
	Can you sing me a last lullaby?
